About the competition

The region around Oslo has many orienteering maps that are approved by the Norwegian Orienteering Society.

The terrain is mainly hillsides covered with fir and spruce. Areas will be selected for the competition to challenge both orienteering and radio orienteering capabilities.

Maps and embargoed areas

NOF approved maps
Scale: 1:10 000
Area: A4 (2.1 x 2.9km)

Restricted access for competitors to be understood that there are not allowed any orienteering or radio orienteering activity, training or competition in the following areas/maps:

Movatn, Nittedal Orienteering O-map
Sanderose, Lillomarka Orienteering

Areas are marked on the competition website www.ardf.no

Timing

EMIT EKT, electronic punching. (provided by the organiser).

Youth participants

We have decided to let the youngsters take part in the event as this is very important for recruitment to the sport. The courses will be adapted for the youngsters, and they are allowed to be shadowed if required. Three transmitters will be used and mainly located within visual distance from tracks.

Youth classes are divided into two: Beginners with permission to receive assistance before and during the course and intermediate class without assistance. Course length will be 1 to 1,5km.

Accommodation event centre

The event centre will be at the Haraldsheim Youth Hostel:
<http://www.haraldsheim.no/index.php?lang=EN>

Booking of rooms shall be directed to the hostel. The organizing comity has reserved rooms for participants who have sent a letter of intent before May 15th.

Hotels and camping

There are several options for accommodation at other locations in Oslo. The organizing comity will be helpful to direct all accommodation requests. Please see the web page for information regarding alternative accommodation.
