### Youth participants

We have decided to let the youngsters take part in the event as this is very important for recruitment to the sport. The courses will be adapted for the youngsters, and they are allowed to be followed if required. Three transmitters will be used and mainly located within visual distance from tracks.

Youth classes are divided into two: Beginners with permission to receive assistance before and during the course and intermediate class without assistance. Course length will be 1 to 1,5km.

### Accommodation event centre

The event centre will be at the Haraldsheim Youth Hostel:

<http://www.haraldsheim.no/index.php?lang=EN>

The organizing comity has limited rooms in reserve for participants who will send an application before July 1<sup>st</sup>.

Note that there is a group discount at the hostel. The organizer will try to locate participants in rooms shared with the same nations as far as possible.
